# OVERALL BEST INNOVATOR

Congratulations to Engr. Dr. Mary Adedoyin and her team on being named the Best Innovator during the 6th LASU Research and Innovation Fair. Dr. Mary's innovative spirit, dedication, and commitment to excellence have earned her and her team this well-deserved recognition. Her groundbreaking contributions to engineering have made a lasting impact, inspiring colleagues and professionals alike.

## Celebrating our Dynamic and Goal-Oriented Chapter Chairman

We are thrilled to congratulate Engr. Dr. Mary on receiving the prestigious Best Poster and Presenter awards from Lagos State University, Ojo during the 6th LASU Research and Innovation Fair. This well-deserved recognition is a testament to Dr. Mary's groundbreaking contributions to the field of Engineering.

Her tireless efforts to push boundaries, challenge conventional thinking, and develop innovative solutions have made a significant impact on our community. Dr. Mary's dedication to excellence, creativity, and passion for engineering serve as an inspiration to colleagues, students, and professionals alike.

These awards are shining examples of Dr. Mary's commitment to shaping the future of engineering. We are honoured to recognise her achievements and celebrate her success.

Join us in congratulating Dr. Mary on this outstanding achievement!

## Congratulations, Dr. Mary!

Faculty of Engineering, Epe led by Dr. Mary Adedoyin won the best Innovator Award. This goes with a cash prize of N150K.

Congratulations ma, wishing you more wins and greater successes as you lead NIEEE Epe/Ibeju-Lekki chapter to greater heights!

# Announcement of Inauguration Ceremony of the 2nd Chairman and Executive Committee of NIEEE, Epe/Ibeju-Lekki Chapter.

Dear Distinguished Elders and Colleagues,

We are pleased to invite you to the Inauguration Ceremony of the 2nd Chairman and Executive Committee of the NIEEE, Epe/Ibeju-Lekki Chapter.

The event will feature

- Inauguration
- Project Exhibition
- Launching of the Chapter Website and Newsletter
- Launching of NIEEE Expert connect Digital Hub

We are thrilled also to congratulate the newly elected Student Chairman in the person of Onuoha Divine Favour amongst others in the executive committee, looking forward to their groundbreaking contributions to the field of engineering.

In the sphere of Empowering Engineering Excellence, we anticipate the birthings of these tenets and virtues

- Fostering a culture of innovation and creativity
- Integrating ethics and integrity into engineering practice
- Effective leadership strategies for engineering teams
- Leveraging technology for sustainable solutions
- Best practices for collaboration and knowledge sharing
